PHASED CONSTRUCTION APPROACH

CONSTRUCTION OF THE **FANCSY FAMILY HOSPITAL** IS BEING DELIVERED IN THREE PHASES

Phase 1

Enabling Works:

A 3-storey Education and Administrative Centre, a parking garage and site infrastructure.

Construction to begin July 2026.

Phase 2

Diagnostic & Treatment Block:

Currently planned as a 5-storey Diagnostic and Treatment Block that will serve as the heart of the new acute care hospital development and include the main public entrance.

The tendering process to select a team to deliver this phase is underway.

Phase 3

Inpatient Tower:

Currently planned as a 9-storey Inpatient Tower that will house the majority of the hospital's planned inpatient beds.

The tendering process to select a team to deliver this phase will begin at a later date.

Phase 1 construction will begin in the northwest corner of the site and continue east and south until the entire project is completed.
Conceptual renderings are illustrative only as of July 16, 2026, and will continue to evolve as design development progresses. All details are subject to change.
